MBA by Research

Our MBA by Research program is a supervised degree that includes a thesis/capstone. The program provides a unique opportunity to follow your interest in an area of research, to focus on this for several years and make an important contribution to the development of your chosen research area. This provides you with the opportunity to acquire research skills by undertaking independent study in the field of your interest. To be awarded the degree by Research you will submit a thesis/capstone of

20,000 words of your work for assessment by our Academic Review Committee.

Published Book

Once your thesis/capstone is approved, it will be published as a book and assigned with unique ISBN. The book will be made available at Amazon / Barnes & Noble / Google Books, etc and author royalty up to 20% will be paid to you as an author of the book on each sale annually.

Pathway to Success

The first step is to complete the required Graduate Application for Admission. Our unofficial review will give you an idea of approximately how many of your prior college credits may apply to our degree program and approximately how many additional credits you will need to earn in order to complete your degree. The fee for this service is \$100 (non-refundable). You will need to obtain your transcripts to submit. You must have them emailed directly to us.
